Tuesday, August 28, 2001.

To the Commissioner for Patent;

My name is Cecil E. Williams Jr, on June 5, 2000, I submitted a disclosure document # 476901 with USPTO. I then submitted a Provisional Application # 60/291,259 on 05/17/2001 to follow through with the Non-Provisional Application #09/682,279 filed Aug. 13, 2001.

I am now requesting a "Petition to Make Special" (708.02 37 CFR 1.102) based on a actual "Infringement" from a company called Kensington Technology Group (Parent company ACCO Brands, Inc), supporting documents enclosed. This product is actually on the market at www.kensington.com and or at several other web sights. I have also seen the product being sold at Best Buy Stores.

I have enclosed a fee of \$155.00 (Fee for a Small Entity, 37 CFR 1.17(i)) to fulfill this request, along with the appropriate form.

Thanking you in advance.

Cecil E. Williams Jr.
Pro-Bono Inventor

KENSINGTON®

FlyLight™

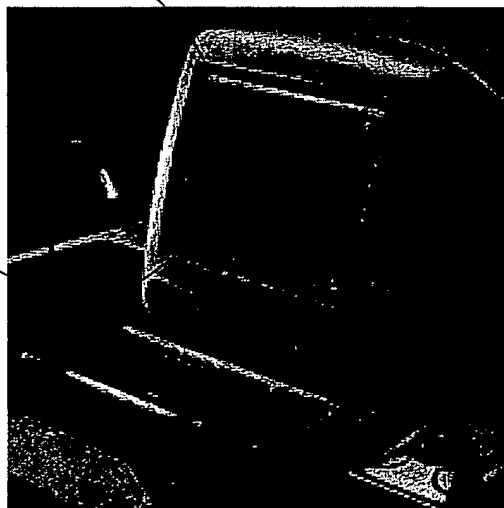

Notebook USB Light

The FlyLight™ Notebook USB Light from Kensington is the perfect companion for the executive on the go. The small, flexible light plugs into your notebook computer's USB port to provide gentle, long-lasting illumination anywhere—on a plane, in a presentation room, or relaxing in bed. Shed some light on your laptop with the FlyLight.

Plug-n-Glow™ technology

- No external power source necessary—plugs into any USB port
- Uses less than 90 seconds per hour of battery charge
- Soft white light illuminates your keyboard just enough to see—won't disturb others

Work on a plane without disturbing anyone...show slides or illustrations in a darkened conference room...even use it with your desktop computer. The soft, gentle glow of the FlyLight Notebook USB Light provides just enough brightness to illuminate the keyboard.

Built to perform

- Flexible neck lets you position FlyLight where you want it
- White LED bulb lasts up to 100,000 hours—anywhere, anytime
- No switches—virtually nothing to break

See the difference

- Sleek, high-tech design
- Small and lightweight—perfect for the executive on the go
- Fits easily into a briefcase or portfolio

62641 FlyLight™ Notebook USB Light

Computer? Road warrior? Carry Kensington

No matter where you go, Kensington has computer accessories that travel with you. They're packable, lightweight, and designed to work with your notebook computer to help you work efficiently. From left: CD Wetsuit® (46001), SonicLock™ (64233), SaddleBag Graphite (62194), VideoCAM VGA (67015), FlyLight™ (62641), Notebook MicroSaver® (64068), Mouse•in•a•Box® Optical Pro (72112), Mouse Wrist Pillow® (57803), and Phone Guardian® Cleaning Wipes (31420).

System Requirements

PC or compatible computer or Macintosh® computer with a USB port
